TORTUGUERO RIVER WILDLIFE CANALS BOAT TRIP, CAHUITA NATIONAL PARK WILDLIFE RESERVE & BANANA PLANTATION

Tortuguero River Wildlife Canals Boat Trip – Cahuita National Park Wildlife Reserve and Banana Plantation Tour

This activity is an Authentic Tropical Wildlife experience of Flora and Fauna; Tortuguero River Wildlife Canals and Cahuita National Park Wildlife Reserve is by far the best in Bio-Diversity Costa Rica Caribbean coast can offer.

Our first tour will begin in Tortuguero River Canals and Rainforest protected area for an hour River Boat mangrove canals. We will have an authentic biological and ecological experience observing a rich Tropical Flora and fauna. This tour is very personalized guided by local guides and captains. Tortuguero River Canals and Wildlife protected area is often known as Costa Rica's Amazon.

The second stop is a brief one at a typical Banana Plantation for a descriptive and sightseeing experience. Banana Export is one of Costa Rica's main Agricultural Industry product introduced by the United Fruit Company in early 1900's.

A visit to Cahuita National Park Wildlife Reserve, will give you the experience to be in one of Costa Rica's most beautiful and well preserved National Park surrounded by a rich Tropical Biological Diversity; Tropical plants, mammals, reptiles, amphibians and birds, an authentic Tropical Heaven Paradise for Tropical Wildlife. In addition, you will be all along the trail next to beautiful white sand beaches where you can swim optionally. At the end, we visit a typical Reggae Bar and Restaurant in Down Town Cahuita, here optionally you can order Tropical Cocktails, Seafood Meal including lobster and enjoy Reggae Music and an authentic Costa Rican Caribbean ambiance.

Pick Up: Puerto Limon harbor between 8 or 8:30am depending on boat arrival.

First stop: at Tortuguero boat harbor, one hour thirty minutes boat trip to explore a rich tropical wildlife of flora and fauna by boat.

Second stop: a brief stop at Rio Estrella Banana Plantation.

Third stop: Cahuita National Park and wildlife reserve. Time off for White Sand Beach and optional stop at downtown Cahuita for cocktails, time to Relax.

Fourth stop: a brief stop to observe Uvita Island where Christophe Columbus landed in September 25, 1502 in his last and 4th voyage to the New World. Uvita Island is the birth of Costa Rica.

Drop off: 3 pm at Puerto Limon harbor

All Tours are operated with English, German, Spanish and French speaking guides
